A GROWING NEWSPAPER IN A GROWING COMMUNITY

Vol. 52 Number 5 | CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA | Thursday, December 19, 1946

'round town

with Betty Allen...

Seen in a San Francisco shop window: The latest word in Christmas decorations consisting of an animal (presumably of the lamb family) standing about two feet high and made of shiny green stuff held together by white wire mash. His eyes and the joints of his legs were designated by silver bells and jutting from the head were two purple ostrich feathers. Needless to say he had a slightly decadent look.

* * *

If the writer who submitted the Christmas poem will send his or her name we will be glad to publish it.

* * *

Did you know that the voters of Millbrae elected to incorporate by a vote of four to one?

* * *

Christmas buying seems to be at an all-time high and it is fun (in spite of the prices) to find so many long-missing items.

* * *

Saw a performance of "The Front Page" at the Geary Theater and was delighted to see that the set was every bit as untidy as The Press office. And the language was no better!

* * *

This is the last week at The Press for Mathew Thiltgen, linotype operator, who is retiring. "Matt" has been here for more than a year and will be greatly missed. He's full of surprises, for after all these months of never being seen without a cigar sticking ing out his mouth, he showed up Tuesday with a pipe! Gives him a rakish air, too. Taking his place will be Eric Savola, who comes from San Francisco—and incidentally he's anxious to find a house or apartment for himself and family.

* * *

The Grand Jury's report on the Supervisor form of county government should give us all food for thought. Even if we incorporate and are able to watch at first hand the spending of tax money as well as having a definite say in the local government, a part of our tax money will still go to the County and it should be the duty of all of us to see that for that money we are getting an efficient system instead of an outmoded, cumbersome one.

* * *

Lots of nervous souls jumping these days when the new Campbell Products whistle suddenly shrieks. The old one, which dated back to the Hyde cannery days, had a mellow, throaty sound, reminiscent of steam boat days.

* * *

Many and varied are the strange tasks which the Constable is asked to perform, but he had a new one the other night or rather morning when he was roused by the telephone at 4 a. m. Seems that a local doctor's telephone was out of order and a patient wanted him to go to the doctor's house and wake him up—which he did.

* * *

And now a very **Merry Christmas to everyone!**

Straws in the Wind

A few views on incorporation:

Mrs. L. A. Fairchild, housewife and drug clerk: "We **must** incorporate so we can have a full time police force. It's becoming more and more necessary."

Peter Spragia, co-proprietor of the Cozy Cafe: "I certainly hope we take this opportunity to incorporate."

Rev. S. E. Mobley, minister Pentecostal Church of God: "I am highly in favor of incorporation and believe also that industry will be necessary if the town is to progress. As a property owner and as an interested resident I hope to see the voters say 'Yes'."

Mrs. Mary Gray, co-proprietor of the Blue Bell Cafe: "I believe Campbell should be incorporated. As a property owner and a business woman, I do not feel that the amount of any extra tax would be in excess of the results obtained from incorporation."

Mrs. Harold Peck, housewife: "We need to incorporate and have our own little city. We need police protection which would check delinquency. If for no other reason, the dog nuisance would be enough. The dogs are driving me crazy!"

Basketball League Play Started

The Campbell Basketball League got off to a flying start last Tuesday night with two games that were closely played. This marked the inaugural of the league play which should prove quite interesting for the local fans.

In the first game of the double header, the Jones Service five edged out a victory over a scrapping American Legion team, 37-34. Andy Levanich paced the winners with 12 points, while Stu Wellington won high scoring honors for the Legion with 10 points.

The second game proved to be quite a one-man show with Tom Rose scoring 34 points for the victorious Strong Bros. The Field's Store five found it impossible to keep up with the high scoring Rose and came out on the short end of a 52-31 score. Dewey Kosich paced Field's scoring with 13 points.

League Standings:

Jones Service	1	0
Strong Bros.	1	0
Field's Store	0	1

CLUB TO HAVE TURKEY SHOOT

The Campbell Rod and Gun Club has planned a turkey shoot for Sunday, Dec. 22, on their club grounds located on White Oaks Road. Signs on the intersection of San Jose-Los Gatos Road and Sunnyoaks will serve to direct those planning to attend.

Members extend a cordial invitation to the public to participate.

Wrestling Tournament Held

The South Bay Wrestling League novice tournament which was held in the Campbell High School gymnasium last Saturday, provided much excitement for the fans, and a great deal of competition for the entrants. There were 140 boys from six schools entered in the tournament and during the afternoon and evening over 100 matches were run off.

Campbell High School placed fourth in the tournament. which was a very good showing considering that the school has not been competing in this sport for for the last three years. Campbell entered 18 boys in the tournament and three of these boys reached the finals. Jimmy Loveday won the championship in the 103-lb. class, while Bruce Abernathy edged out Ray Wingartner for the championship in the 145 lb. class.

Salinas won the tournament with a total of 31 points, with Santa Clara in second place with 24 points. Placing third was San Jose with 18 points; fourth, Campbell 16; fifth, San Jose Tech 12; and in last place was Fremont with 10 points.

DOORS CLOSED

Campbell residents bent on getting their mail during the evening found the doors to the post office lobby locked last Monday. It was reported that this had been done because a group of boys had made a mess of the lobby the preceding evening.

LAURENCE COWPER HOME

Former Staff Sergeant Laurence Cowper is now at home with his parents, Mr. and Mrs. T. Cowper of the San Jose-Los Gatos Road after a visit in Southern California. Before that he spent 14 months in Japan with a medical corps. He plans on entering San Jose State College next term to continue his studies.

Every week a name will be drawn from our list of new subscribers and printed in the classified ad column. The person whose name appears there may receive two free passes to the Campbell Theater by calling at the Press Office. Look and see if your name is there!

Campbell Hardware Company Robbed Last Monday

Prowlers early Monday morning entered the Campbell Hardware Company by jimmying a window in the rear of the building and made off with an assortment of valuable merchandise. The burglars were seen leaving by a neighbor who called the sheriff's office.

Sheriff's deputies arrived on the scene and after finding some stationery which indicated the proprietors' names, called Cel Gervais at his San Jose home. He in turn called his partner, Norman Corvello, who was spending the weekend in Oakland. On arriving at the store, the partners found a large number of knives, electric clocks, electric razors and flash lights missing.

Orville Johns, whose watch repair business is housed in the store, reported that more than $200 worth of new watches and watch bands had been stolen from him.

The witness who saw the prowlers reported that there were two of them, approximately between the ages of 18 and 21.

Whether these same two men are responsible for attempted entries into the Campbell Pharmacy and the Blue Bell Cafe is problematical. Several weeks ago the back door to the Campbell Pharmacy was forced open but a heavy iron bar prevented entry.

Last week an attempt to enter the Blue Bell Cafe via its back door was made. A screen window was removed but the prowlers were unable to gain entrance.

Four residences in the vicinity have been robbed recently and in two of the homes wrapped Christmas presents were stolen. Jewelry was the main item taken from another home.

On Thanksgiving Day the Campbell Billiard Parlor was broken into and $64 in cash was stolen. According to the sheriff's office, there have also ben several cases of car prowling recently.

HOMER HYDE TO REPLACE JACK MURDOCK

Ralph Hyde, vice-president and manager of the Campbell Water Co., has announced that his son, Homer Hyde, will succeed Jack Murdock who leaves the company shortly after the first of the year to accept a position with Tay-Holbrook, Inc.

The new Water Company secretary is well known here for he attended Campbell schools and since leaving Campbell has been a frequent visitor. After graduating from Campbell Union High School, he attended San Jose State College for two years. Next he attended Stanford University and graduated in 1938. In 1941 he graduated from the Stanford School of Business.

He went directly from school to Lockheed Aircraft where he is now personnel manager of Plant A at Burbank.

Shortly after the first of January he will move to Campbell with his wife, the former Kathryn Ray of Pocatello, Idaho, and their two children, Kathie Sue and Jerry.

REPORTS WALLET STOLEN

Miss Bernell Ellison, a student at Campbell Union High School, reported to Constable Ethan Lanphear last week that her wallet had been stolen while she was buying a bus ticket in the Orchard City Creamery. Miss Ellison, the daughter of Mr. and Mrs. John Flatkin, stated that she had gone into the telephone booth to make a call and when she returned the wallet, which she had left on the counter, was missing. In addition to personal effects it contained more than $20 in cash.

HAVE CHRISTMAS PARTY

Members of the primary classes of the Congregational Church enjoyed a Christmas party at the church last Saturday. A welcome feature of the party was a visit from Santa Claus.

Supervisors Cut Industrial District

After much passing between the County Planning Commission and the Board of Supervisors, Campbell's plea for a site zoned for industry which would be sufficiently large enough to permit the location of new industries here, was denied by the Board of Supervisors last week.

According to Charles Pryor of the County Planning Commission office, little more than an acre was granted over the amount previously zoned and at present occupied by local industries such as the cannery. Everything north of El Patio was excluded for industrail use. This cuts off the territory between El Patio and Hamilton for which at last three canneries and dehydrators have already made offers to property owners.

At the final meeting before the Planning Commission, just previous to the Supervisors' decision, the Planning Commission had a tie vote as to whether the north end of the zone should be retained in the proposed industrial site.

Property owners on Hamilton, El Patio and San Jose-Los Gatos Road objected to the industrial zoning on the grounds that it would damage their property values. Proponents of the re-zoning urged it as a necessity for Campbell's survival, pointing out the large number of surrounding orchards which have been dstroyed for subdivisions and the fact that new industries would offer year-round employment.

POST OFFICE TO REMAIN OPEN SATURDAY

On Saturday the Campbell post office will be open all day to accomodate the residents who have not yet mailed their Christmas packages.

Ira Grim, postmaster says that this year's business has broken all previous records.

Because of the Christmas and New Year's holidays the next two issues of The Press will be published on Friday instead of Thursday.

Streets Decorated For Christmas Holidays

Campbell citizens on their way to work, Campbell students en route to school and Campbell housewives bent on shoppnig were astounded on Monday morning to see Campbell Ave. festively decorated with green swags and gay wreaths encircling silver bells.

It was the first time in the history of the town that Christmas decorations graced the street and almost everyone approved of the effect.

Credit for the decorations goes to the members of the Campbell Taxpayers' Association who under took the project after the Campbell Chamber of Commerce vetoed the idea due to lack of funds.

Assisting the Taxpayers' Association were members of the Ne-Tops Council, Degree of Pocahontas. On Sunday they made the garlands now adorning the streets.

Those who worked to make the decorations a success were: Mr. and Mrs. Jim Parker, Mrs. Irene Hodges, Mrs. Vida Folden, Mr. and Mrs. Walter Silberbauer, Mr. and Mrs. Ray Gilpatrick, Mrs. Florence Wisler, S. A. Wirth Jr., S. A. Wirth, Sr., George Arlidge, Mrs. Mary Gray and Earl Buck.

DEATH TAKES DAN YEAGER'S MOTHER

The many Campbell friends of Dan Yeager, rural mail carrier here, are extending their sympathy and consolation to him since the death of his mother, Mrs. Catharine E. Yeager, in San Jose, Dec. 14.

Mrs. Yeager, who was 78 at the time of her death, was born in Hazleton, Pa. In addition to her son, she leaves a daughter, Mrs. Minnie Yeager Hall, and two grandchildren, Betty [illegible] Hall, and Corporal Alvon A. Yeager, now stationed at Camp [illegible] after returning from overseas. A sister, Mrs. Minnie Gorton of San Jose, also survives her.

Funeral services were conducted yesterday afternoon from the chapel of Amos O. Williams Co., followed by interment at the Oak Hill Memorial Park. The final rites were under the auspices of the Starlight Chapter No. 401, of the Order of Eastern Star.

What I Want Christmas To Do For My Family

By Roma Cain Carter in Capper's Weekly, Topeka, Kan.

Thinking about Christmas, 1946, two thoughts come with force: Men cannot run the world and forget its Creator. Neither can we get along without the family unit where love, tolerance, reverence and individual responsibility are the four cornerstones.

Family life began in Eden, and altho away from home, Mary and Joseph in the Bethlehem stable made up a faithful family group, intended from the beginning of Time to stabilize the peace of the universe.

Somehow, I must see to it that my own family shall receive courage and faith for the trying years ahead. The world today is dazed with hunger, horror and mistrust. All mankind needs the light of the guiding Star as never before, and nations seek Him, and obey Him.

That is w hat I want Christmas to do for my family this year. I want them to get a fresh vision of individual responsibility; I want them to turn their backs on pride and self-sufficiency, and go in faith and humility "even unto Bethlehem." They must begin to help build a world free from fear and hunger, a world where on Christmas day every child is warm and well-fed. And this year we must get closer to the manger.

There is no doubt but that Mary was frightened and bewildered when they found no resting place in the inn. I am just as sure that she neither wept nor berated the government. The smile with which she encouraged Joseph may have been a little shaky, but her silent prayer was strong and full of faith.

Life is no flowery frolic for any of us just now. It is adventure and a challenge. Keep in mind that when the need for Christ was greatest, He came. This year, let us look steadily upon His star in the East and know that He is still with us.

Around the Christmas fire this year I want my family to realize anew that simple pleasures are satisfying; never tiring, nor health-destroying. I want them to know definitely that honesty, courtesy and self-reliance are Christian attributes and American standards. These are values we dare not lose.

Bucs Split Season Openers

By DAVE WOODS

CAMPBELL VS. HOLLISTER

In the opening games of the '46-'47 season the Campbell hoop squads divided two rough contests with Hollister. The Buccaneer 30s copped a 25-23 decision, while the Haybalers took the varsity encounter, 40-26. In the heavyweight contest the flashy Hollister quintet forged into the lead and never relinquished it, although the score was 11 up at the half. Ray Fish and Dick Villafuerte scored 7 points each for the Bucs, but Hollister's McAbea took scoring honors with 20. The 130 was won as Monty Dayton dropped in a field goal at the start of the second overtime period to end the game. Captain Ron La Mar and Bill Magginetti led the scoring parade with 6 points apiece. Coach Robinson, of Campbell, stated that he was much pleased with the games and thought the teams showed up well.

CAMPBELL VS. S. J. TECH

A pass interception and a lay-up shot by Campbell's Mel Estrada in the last five seconds of the overtime period gave the Bucs a 41 to 40 victory over the San Jose Tech Tigers in the opening game of the SCVAL hoop season. Campbell had led all through the contest, but Tech kept pace and two fast buckets knotted up the score, 39-39, as the fourth quarter ended. Then with only one minute remaining Fredericks of Tech dropped in a free throw to give the Tigers the lead. Campbell lost the ball and Tech was stalling for time when Estrada intercepted the pass. Ray Fish sparked the Buc offense with 10 points, but Jerry Fredericks of Tech stole the show with a beautiful exhibition of faking while scoring 17 points. Campbell's Lee Estrada, Vic Corsiglia, and Dick Villafuerte looked good on defense while scoring 6, 8 and 8 points respectively.

STUDENTS AND TEACHERS TO HAVE CACATION

Tomorrow will be the last day of school for both Campbell Union High School students and Campbell Grammar School students until they return after the Christmas holidays on Jan. 6.

The 16-day holiday will enable teachers to visit their homes or to take on extra work which so many teachers are now doing to supplement teachers' salaries.

As for the students, many of the older ones will take jobs helping busy merchants, but the majority will devote themselves to enjoying the Christmas holidays and all the special treats that accompany them.

Ray Fish Announces His Platform

With the election only a month away, interest is centering on the candidates who have been nominated to run for city council in the event the voters decide to incorporate Campbell into a city.

The Press will present a brief sketch of one of these men each week and a brief statement of their individual platforms.

Ray Fish, one of the nominees, is a native of Oakland, who came to Campbell in 1930. Before arriving here he was in the contracting business with his father and, after settling here, continued in that business.

He has been active in local affairs and served for six years as a member of the Campbell Elementary Schol Board of Trustees. He is also a member of the Masonic Lodge and the Eastern Star.

Recently he and his wife, the former Martha Parr, have taken over the ownership and management of Campbell's distinctive gift shop, The What Not. Last wetk the Fishes and their three children moved into their new home on Campbell Ave.

Fish says that Campbell must incorporate if it is to progress. "Otherwise," he says, "we will remain as we have for the past 35 years."

"If the voters fish to incorporate and I am elected, I will do my utmost as a Council member to keep the costs down as low as possible. I also feel that a good safety system is a necessity. This would include efficient law enforcement and such additions as stop signs and road signs."

Churches Plan Programs

On Christmas Eve at 11 o'clock there will be a service of carols and candlelighting at the Campbell Methodist Church. All of the familiar carols will be sung by the congregation, and at the hour of midnight all the people will be given lighted candles to hold during the singing of "Silent Night". It will be a service to express the beauty of the Christmas story in carols, Scripture, prayer, music, and candlelight.

On Christmas Eve between 11-12 p. m. at the Congregational Church there will be a Christmas Eve candle-light service heralding in music, Scripture and prayer the birth of Christ. Col. James L. McBride will bring the devotional message. The choir, under the direction of Mrs. Rex Fuller will sing Praetorius' "Lo, How a Rose E're Blooming" and the traditional "O Holy Night" by Adam will be played as a cornet solo by Mr. Robert Carlson. The congregation will join in the singing of the familiar Christmas carols. The service will conclude with the singing of "Silent Night", and the lighting of candles by the members of the congregation. Last year a large congregation attended this beautiful and impressive candle-light service. All are cordially invited to attend.

The Intermediate Youth Fellowship of the Methodist Church will tour Campbell early next Sunday evening, singing carols to shut-ins of the community. Later in the evening the combined Youth Fellowship groups of the Congregational Church and the Methodist Church will sing the Christmas carols.

Homes where there are shut-ins who would appreciate the carol-singers are being listed this week by Rev. Osborne. If anyone in the community has a request for the carollers, please call the Methodist parsonage.

THEODORE CUTTING RECUPERATING

The many friends of Theodore Cutting, son of Mr. and Mrs. Frank Cutting, will be glad to learn that he is responding well to treatment at Alum Rock Sanitarium and expects to be home soon.

Climaxing the evening's entertainment will be a tableau of the Nativity scene. The public is invited and there will be candy for the children.

"STATE OF THE UNION" TO PLAY IN SAN JOSE

More acclaimed than any play in recent times, "State of the Union" has one performance in the San Jose Auditorium on Thursday evening, Jan. 9. "State of the Union" stars Conrad Nagel, Irene Hervey and Henry O'Neill, with a complete cast of 17. Winner of the Pulitzer Prize as the best play of 1946, the hilarious comedy deals with the presidential election of 1948.

"State of the Union" really has two plots. One recounts Jim Conover, Republican politician, tests Grant Matthews, the rich airplane manufacturer, by means of an experimental speaking tour, as a candidate to run against President Truman in 1948. The other plot, closely knit with the first, shows how Grant's wife uses her beauty and wits to win her president-to-be husband back from Kay Thorndyke, the predatory publisher of a chain of newspapers.

Tickets for "State of the Union" are now on sale at the Denny-Watrous box office, San Jose Auditorium.

SNOW

By Thomas McCall Jr.
Moreland School

Snow brings winter so white and so clear.
Snow brings the children to play and teasing;
Snow brings the snowman who's sight brings cheer;
Snow brings the Christmas carols ringing so clear.
Snow brings the Christmas tree with its bright lights.
Snow brings the presents with all their delight;
Snow brings the headaches from Christmas night.
Snow brings the new year '47 with delight.

HOSPITALIZED LOCAL BOY PRAISES RED CROSS

Mr. and Mrs. Ray Wood have received word that their son, Pfc. Newton J. Wood, was seriously injured in an jeep accident near Sendai, Japan, where he is stationed. One of Private Wood's duties is testing jeeps for maximum speed and while doing this his vehicle crashed into a telephone pole. Among other injuries he received a broken jaw and a splintered leg.

He is reported as convalescing satisfactorily in the 172nd Station Hospital in Sendai.

The many local women who contribute so much of their time and energy to the Red Cross and who did so much during the war will be interested in Private Wood's first-hand report of the A. R. C.

He writes: "A lot of GIs have said to me and in front of me, 'The hell with the Red Cross; they have never done me any good.' I guess they figure it is a capitalizing organization. Well, I didn't know and so let it ride, but the next time I'll punch the guy in the nose (if he isn't too big).

"All the patients are using toilet articles from the ARC bags, same as you used to make or pack. Every day the girls come with cigarettes, chewing gum, etc., for every patient in the hospital. Our slippers are furnished by them and every day they have something to eat in the club.

"A couple of days ago the Dr. said if I could walk I could have a pass, so I went to the clothing room and found my ODs all soaked with blood and dirt. I said to t. attendant, after finding out that there was no patients' laundry system, that I guessed I wouldn't go on pass. There was a Red Cross girl standing there who said she would take care of it for me. She got my pants, coat and shirt dry cleaned, my underclothes and handkerchiefs washed and gave me a new necktie; then, fnding that my shoes had been taken off by the emergency hospital in Yomagata, she arranged to have them brought up.

"Considering it's an outfit run by volunteers and the money is from donations, I'll tell you that you can be proud that you did your share in belonging to it."

SUNDAY SCHOOL PARTY PLANNED

The annual Christmas Sunday School party for the children, their parents, and friends of the Congregational Church will be this coming Sunday evening at 7 p. m. The members of the Sunday School have prepared a program for their parents and friends. The familiar Christmas carols will be sung and gifts will be given to the members of the Sunday School. All are cordially invited to attend.

Warm and Bright Holiday Nights

THIS HOLIDAY SEASON will see the fuller realization of that wartime song-sentiment "when the lights come on again."

For here in California, gay and festive lighting is generously used as holiday trimming in the home. Light dramatically brings out the color and sparkle of decorations. Light pays fitting compliment to fine linen and silver and tempting foods when families gather for holiday dinners.

We like comforting warmth indoors, too, even though we seldom see a White Christmas outside with footprints in the snow.

Yes, Christmas in California is colorful, bright and warm—with flowers and boughs of red berries in house and garden—with light and heat in abundance at the flick of a switch. And to many of us such things are among the finest gifts of the season.

RETURNING TO GOD

A parable is a story illustrating a truth or principle. In the gospel of Luke, chapter 15, verses 11 through 24, is the story commonly called "the parable of the prodigal son." From it we learn that God our Father gladly receives one of his children who humbly returns to him from a life of riotous or wicked living. This truth is plainly stated in the first part of verse 8, chapter 4 of the book of James. We read: "Draw nigh to God, and he will draw nigh to you." How to draw nigh or near to God so he will draw near to us is stated in principle in verses 6 through 8 of this same chapter 4 of James. Here we learn that we must in humility submit to God, resist the devil, and cleanse our hands. To cleanse our hands is another way of saying we must change to pure or righteous deeds. This passage also stated that we must purify our hearts. This is done by faith, Acts 15:9, and faith comes by hearing God's word, Romans 10:17. How to thus purify the heart by faith through hearing the word of God and to cleanse our deeds by obedience is found in the New Testament because it contains what Jesus taught, and what he taught is the means by which men are made clean. See John 15:3. Let us read the New Testament more, truly believe it, and faithfully obey it.

POCAHONTAS MEMBERS AND GUESTS ENJOY CHRISTMAS DINNER

Members of Ne-Tops Council, Degree of Pocahontas, had an opportunity to show off their culinary arts Friday night, Dec. 13, when they held their Pot-luck Christmas Dinner. All of their members and guests, seventy in all, agreed that not only were they well fed, but deliciously so. Following the dinner Santa Claus arrived to present to the children their gifts. After the children were attended to, the Footlighters presented their Christmas play, "I Don't Believe In Christmas". Ne-Tops Council is very grateful to the Footlighters and wishes to let it be known that a wonderful performance was given by everyone in the cast.

Immediately after the play, the guests left for home and the Council got down to the business of their regular meeting, with Sharon Parker, Pocahontas, presiding. New officers were elected, and they were: Pocahontas, Irene Hodges; Winona, Edith Anderson; Prophetess, Sharon Parker; Powatan, James Saint; trustees, Nell Franzen, Esther Powell, Gail Plymale.

An invitation was extended to the Council asking their drill team to put on the degree work for Andetaah Council, of San Jose, on March 4. Ne-Tops is very proud to have been asked and of course has accepted. At their next regular meeting, Friday night, Dec. 27, three candidates are to be initiated into the Council. Members are urgently requested to attend and make a big showing for the new members.

Visitors of the evening were the drill team's captain, Mr. Jim White and Mrs. White, and Mr. Harold Means, husband of the Council's Deputy Great Pocahontas.

ARTIST VISITS AUNT HERE

Married in Fresno

The Campbell friends of Miss Louise Skaggs will be interested to learn of her wedding in Fresno Dec. 1. In the Full Gospel Tabernacle there she exchanged marriage vows with John T. Younger, son of Mr. and Mrs. J. A. Younger of Fresno.

Mr. and Mrs. John Skaggs, 39 Thornton Way, the parents of the bride, attended the ceremony and the bride was given away by her father. Her only attendant was her sister, Mrs. Jack Gibson.

The bridegroom is finishing a course at UCLA, after which the young couple will reside in Fresno where the new husband will enter the candy manufacturing business.

CAMPBELL UNION HIGH SCHOOL PTA HOLDS CHRISTMAS PROGRAM

A Christmas inspirational was read by Mrs. Rex Fuller before the members of the Campbell Union High School PTA at the regular meeting held on Dec. 11 in the Little Theater. The inspirational, "What I Want Christmas To Do For My Family", embodied the topic of the month "Understanding True Values" based on the State Parent-Teacher program.

Traditional Yuletide music was presented by the a cappella choir led by Frank Triena, followed by a monologue, "Aunt Dinah's Christmas", portrayed by Marjorie Livingstone and directed by Dean Chamberlin. Mrs. Harry Cousins, chairman of the day, introduced the program.

Mrs. Raymond Flagg presided over the business session, calling for reports from the officers and chairmen. Of special interest was the report by Mrs. Ray Wods on the improvement of conditions in the local theater, and parents were urged to attend the playhouse and assist in maintaining the desired standard.

Mrs. Raymond Flagg reported on the Sixth District meeting held in Mountain View on Dec. 2. Representing this unit at this meeting were: Mesdames Raymond Flagg, Anthony Jurras, Clarence Fagalde, J. W. Knowles, F. J. Rauch, R. Allinger, Alfred Weltz, James Gled and Earl Booker.

Announcement was made that a Christmas program by the students will be held in the High School auditorium on Thursday, Dec. 19, at 8 o'clock.

Mrs. R. C. Page was delegated to serve on the El Paradiso Council nominating committee in January.

A plea for the support of the High School PTA was made by Mr. G. E. Tutt speaking on fire protection, as he explained the seriousness of the inadequate fire protection in the unincorporated areas; the elimination of State aid after the first of July in these areas, and that our Supervisors must be made to realize the urgency of the conditions in the unincorporated floor of the valley. Mr. Tutt asked for representation from the unit at the meeting scheduled for Monday, Dec. 23, at 10:30 a. m. in the Supervisors' office at the Court House.

The senior mothers were hostess for the social hour which followed the meeting.
